We don't use oil lamps any more. We have **electric** lights which are much brighter. More villagers are using **motorcycles** for transport instead of riding a horse or walking. We – village children - no longer have to walk a long way and cross a stream to get to school, which is dangerous in the rainy season. Now there's a new school nearby. We also have more **visitors** from the city. They come to experience our way of life.
