Santa Fe, the capital of New Mexico, U.S., is in the central part of the state, on the Santa Fe River, which flows into the Rio Grande 35 kilometers west of the city. More than two thousand meters above sea level, it lies in the Sangre de Cristo Mountains with the Ortiz Mountains to the southeast. Santa Fe was founded in 1609 by the Spanish on an old Indian village. In 1680 the Indians seized the place but only held it for twelve years before the Spanish retook it. The city remained under Spanish rule until Mexico won its independence in 1821. From then on, it was a Mexican city until 1846 when it was taken over by the American troops. With a population of 49,000, Santa Fe is now the second largest city in the state. Because of its sunny weather, rich history and surrounding mountains, it is a good place for holiday makers. Besides hunting and skating in the mountains people enjoy shopping in the Indian and Spanish shops, which brings a large income to the city every year. In summer there is an international opera season when operas are shown in a partly roofed, open-air theater daily for people from all over the world.
