Imagine you are working for a space tourism company. Your company plans to launch a new tour to one of the planets in our solar system. Present your tour in 5-7 minutes to the class. How many clients want to take your tour?

(Tưởng tượng bạn đang làm việc cho một công ty du lịch không gian. Công ty của bạn lên kế hoạch mở một chuyến du lịch mới đến một trong những hành tinh trong hệ mặt trời của chúng ta. Thiết kế một bài thuyết trình để quảng bá tour đó. Trình bày tour 5-7 phút trước lớp. Có bao nhiêu khách hàng muốn tham gia tour)

Gợi ý thuyết trình:

Ladies and gentlemen, welcome to our presentation of introduction of a totally new and unbelievable travel experience that we will offer you in the near future – Space Travel to the Mars.

We call this space tour “Becoming the Martians”. How many people here have dreamed of travelling to the Mars? Now we make your dream come true!

First of all, we would like to provide you with some basic information about Mars. Mars is the fourth planet from the Sun and the second-smallest planet after Mercury. It has a thin atmosphere, valleys, deserts and polar ice caps so it is said to be the planet that is most similar to the Earth. Therefore, human hope that we can live on Mars one day.

Secondly, about our service tour “Becoming the Martians”, we have the two interesting activities: climbing to Olympus Mons – the tallest mountain in the entire solar system, and going hiking in the rough terrain of the deserts as the highlights of our tour. Besides that, there are also many other fun things to do in Mars. After this trip, clients will understand more about space trip and the Mars.

Last but not least, participants must do some training before being ready for the trip. They have to pass the swimming test, health check and to learn about spaceship system and a little bit engineering in one month. We will prepare foods and other facilities for our clients.

We claim that this trip is totally friendly with the environment!
