Work in groups. Talk about a job you may do after you finish school, using the following cues. (*Làm việc nhóm. Nói về một nghề mà em có thể làm sau khi em hoàn tất việc học, dùng những gợi ý sau.*)

Gợi ý:

A: What job would you like to do after you finish school?

B: I'd like to be a high school teacher.

C: What makes you choose that career?

B: I think teaching is an interesting career for several reasons. First, I can learn many things, specially when I teach in a secondary school. Next, due to my work, I have to read much, so I can acquire more knowledge.

A: What benefits do you think you can get from that job?

B: Well, the first thing I get from my work is the joy and happiness of working with the young. Next, I may be respected as an educated person. Thus, I'm able to live a happy life.

C: Do you assume you can encounter some disadvantages with your career in comparison with other jobs, such as low pay, no privilege and working condition?

B: I see it, but I can live a happy life, it's the matter, for example my students' success in their study, their good behaviour and the key point: their maturity in social life. They can become good children and citizens And I think the best of all, in my opinion, is the joy and peace in mind. Do you think so?
