What can, what can you see?

What can, what can you see?

What can, what can you see?

What can you see?

What can you see?

I see eleven moms, eleven, eleven

And I see twelve dads, twelve, twelve

What can, what can you see?

What can, what can you see?

Thirteen sandwiches, thirteen, thirteen

And fourteen water bottles, fourteen

What can you see?

What can you see?

There're fifteen dresses, fifteen, fifteen

And sixteen pants, sixteen, sixteen

What can you see? What can you see?

Seventeen bikes, seventeen, seventeen

And eighteen boats, eighteen, eighteen

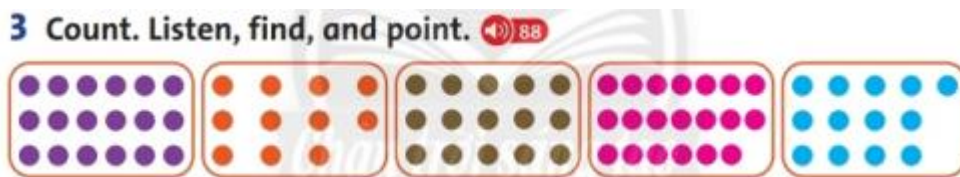

What can you see? What can you see?

There are nineteen trees, nineteen, nineteen

And twenty Frisbee, twenty, twenty

Eleven, twelve, thirteen, fourteen, fifteen, sixteen, seventeen, eighteen, nineteen, twenty

3. Count. Listen, find and point
