3. People all over the world celebrate _____ on 24th and 25th of December.
4. La Tomatina is the name of a _____ in Spain.

B. READING: Read the passage

Travelling in the future will be much easier and safer.

People may travel in a driverless car. Even old or disable people will be able to use it because the car can drive itself. However, a driveless car will be expensive.

People can choose to go on foot on moving pavements. A Swiss company has invented a system of high- speed moving pavements. People will go through the streets at up to 15 km per hour just by standing on the pavements. This will reduce travelling time of pedestrians and traffic jams effectively. Therefore, more people will leave their vehicle home.

I. Answer the questions

1. How will travelling be in the future?

2. Will old or disable people be able to use a driverless car?

II. Tick T/F
